

The Fabrication of Louis XIV, 1994, 242 pages, Peter Burke, 0300059434, 9780300059434, Yale University Press, 1994

Louis XIV was man like any other, but the money and attention lavished on his public image by the French government transformed him into a godlike figure. This book gives an account of contemporary representations of Louis XIV and shows how the making of the royal image illuminates the relationship between art and power.
